

Registered Charity No. 280276

Where your Money Goes

£15. – would be enough to pay for an hours care given by a nurse on our in Patient Unit to someone with a terminal illness.

£25. – Can allow Hospice Day Service to take someone with a terminal illness on a day trip, giving them a wonderful experience.

£65. - could pay for us to give a counselling session to a patient's son or daughter, helping them to come to terms with their loss.

£120. - is enough to pay for the cost of a nurse for a whole day, supporting a number of patients.

£155. - could allow a patient with a terminal illness to attend a session at our Hospice Day Service for a day, bringing people together, giving hope and an opportunity to experience new things

£300. – is how much it costs for us to provide our Hospice palliative care to someone with a terminal illness for a day on the In Patient Unit

£595. – is how much it costs for a nurse for a whole week, who will provide clinical and emotional support to patients, their families and carers

£2894. – would be the cost of running our Hospice in the Home service for a day, providing patients with choice and dignity and supporting them allowing them to remain in their own home.
