In May 2010, the Westerham Town Partnership organised a Sunday-morning Farmers' market to promote high quality, locally produced food and drink, some local crafts. We hope the market will reduce the need to travel, reduce food miles and packaging waste and encourage visitors to the town. While we are keen to support local producers we are particularly anxious to respect the livelihood of existing traders in our town.

Location and Hours of Opening

The market is located in Market Square, Westerham TN16 1AW, outside of the George and Dragon and NatWest Bank. There is room for between 10 and 15 stalls. The market runs on Sunday morning from 9.00am to 12.30 am, on the first and third Sunday each month.

Stallholders

We aim to offer a wide variety of good quality, reasonably priced local food, including some goods that cannot currently be purchased in Westerham. The market aims to offer bread, fresh vegetables, salad and fruit, game, smoked meats, delicatessen, fish, cheese and dairy products, nuts, pickles, honey and jams and plants/herbs/salad & vegetable seedlings. Stalls will also be made available to voluntary organisations and local charities, which could be on a regular or an occasional basis. Please bring your own gazebo and table.

Stallholder's Contract and Standards

The Westerham Market will adopt the KFMA Stallholders Contracts and Market Standards.
The fee is £15 per stall per market.

Catchment Area and Advertising

The market will be widely advertised with handbills and A-boards in Westerham and the surrounding villages and towns including Oxted, Limpsfield, Sundridge, Brasted, Crockham Hill, Tatsfield, Biggin Hill, Edenbridge and Sevenoaks. Details will also be available on the website www.visitwesterham.org.uk

Parking

Extra parking will be available on market days. Details will be supplied to stallholders in advance.

Affiliation

We are members of the Kent Farmers Market Association.
We hold public liability insurance under an IMBER Policy negotiated through the KFMA.

Market Dates for your Diary

The market will run from 09.00 to 12.30 on the first and third Sunday in the month, except in some winter months where there may only be one market. Some months have five Sundays but we will never have more than two markets a month!
