Westerham Town Partnership – A Community Interest Company

Directors:

Jane Hunter (Managing) Bill Curtis (Secretary) Nick Tonge (Treasurer) Stuart Merrylees

Proud to do Business in Westerham

The Westerham Town Partnership is a voluntary body founded in 2009 now registered as a Community Interest Company (CIC). Since the Farmers' Market closed in September 2017 (largely through lack of footfall), its sole income is from our members who subscribe to our scheme called

"Proud to do Business in Westerham".

We would like to thank all our current members who subscribe £10 a month to the scheme, which is tax deductible. If your membership has lapsed or you would like to join, please fill in a Standing Order form or contact your bank online.

The funds enable us to:

- Run the visitwesterham website for residents, visitors and businesses. We can list your business.
- Run Twitter (businesses can tweet on @westerhambiz), Facebook, flickr and YouTube
- Stage events like "The Summer of 1914", "Talk of the Town", "Live on the Green", Harvest Hullabaloo and Alice's Eggcellent Adventures, Late Night Shopping and projects like The Talking Town Heritage Trail and the carved animal statues.
- Work with other groups like the Westerham Society (eg Beating the Bounds, the Maypole), the Town Council (Overflow Car Park, Outdoor Gym, Signage, Way marking and Christmas lights), and St Mary's Church (restoring the vista through the churchyard).
- Run campaigns and consultations and write reports – eg Westerham Traffic and Westerham Parking.
- Analyse local planning issues, such as the proposed Moorhouse Depot, and the Which Way Westerham debate.

Thank you.
